Our Prayer for 2010

Gracious God, you call us to a living faith in Christ for the future as well as for the present; open our eyes to the opportunities before us in our church and community, and in the daily discipleship of our lives. May your Spirit sustain and nourish us in our journey, so that we can serve others effectively, and offer to all people your transforming love through Jesus Christ our Lord. Amen.

YOUTH AND CHILDREN'S MINISTRY

We have the following five aims for our youth and children's ministry:

- To help children and young people feel they belong to our church community;
- To help children and young people know and follow Jesus as Saviour and Lord;
- To help children and young people enjoy growing in their faith;
- To help children and young people contribute actively to the Christian community; and
- To support and resource parents in the care of their children and the nurture of their children's faith.

We have appointed Ro Willoughby as our full-time Children's and Families Ministry Coordinator with effect from 25th January 2010 to help us implement our strategy for ministry among children and families and thus deliver on these aims.

St Paul's Toddler Group
